I met Mr. Blankenship (that I remember) at my Aunt Millie Alexander's funeral just a couple of years ago. He and my dad (A.D. Wells) were 1st cousins I believe. As a young boy, I spent time around Charles at my Grandma's (Bertha Hart Wells) house.

My heart goes out to all the Blankenships and Harts in the Lexington/Henderson County area.

Wilton was such a joy and strong spirit. I used to love to talk with him and Viriginia and just hear the stories of life and adventure. You will be missed. Prayers for peace and comfort for this wonderful family. Mark & Laurie & Matt

Although Wilton was not my true Uncle, I called him Uncle Wilton all my life. I was grown when someone brought it to my attention that he was not my Uncle and I had just never thought about it. I loved him and Virginia dearly. They are together now and I know that they are in a better place but they will be missed so very much. My sincere condolences to the family.

With Love
