“ So many memories. He loved to bring Merle into his sermon, with a grin that said, he would be in trouble.

“ So very sadden to hear of the death of Bro. Stan. We were in the same ordination class. We were all big fellas and Stan referred to us as “The Heavy Weights.” And not in poundage only. He was a wonderful guy and fun to be around. I will hold you his beloved family, in my heart and in my prayers.

“ Merle I am so sorry to hear about the death of Stan. He was a good friend of mine even though we did not get together very much. I will never forget when he came over to talk with me at Quito. He was wanting to know about his call. I shared with him my calling and how I believed I was call. And Stan believed he was called because the way you stood beside him and with his faith he continued to work in ministry. May God place his loving arms around you and your family and you know that your comforted by Jesus May God bless you all. Judd and Gale Mowery
