“ *Allen, may you rest in peace in the arms of Jesus. I will remember you as an overcomer of some mighty tough things you had to grow up with, and as a strong, physical man who was a hard worker, supported his family well, served his community with courage as a firefighter, and loved the wind on his back and the sun on his shoulders while he spent time outdoors in the Tennessee sunshine at the farm he loved so well. You will be missed by many.*
