“ Uncle Danny, my uncle, so blessed to have him. He lived down the driveway from his parents, my grandparents. I spent summers up there. I love that farm. So many memories.

Uncle Danny, worked hard, but found time for us. He took us to his company picnic

I remember eating all the Ice cream I wanted. I was diagnosed with Non-Hodgkins Lymphoma at 42. I am now 66. What a gift God has given me. He, sent cards to me, called me. Shared with me. Uncle Danny is gone from this earth, but very much alive in the presence of Christ. Waiting on when we are called. He's with his parents, my son Robert went ahead of us. My Kevin and Robert loved it up there and loved Uncle Danny. Uncle Danny, i thanked you while your were alive. My Kevin and I went in December to see him. What a nice visit. I love you Uncle Danny, very much. You rest, and when its our time. You will be there. Love, Billy, your nephew. ❤️❤️🙏🙏
