“ *Scott was a great friend to me in summer of 1996-97 especially! He was kind, funny and paid special attention to what I needed after all , I was from another city in TN at the time and learning about parson's and the People of Parsons wasn't the easiest thing to do at times ! He took me around to meet people in his Burgundy Chevy lumina (if memories serves me right)!
God be with you and may your family have comfort during times of sadness memories (which can sometimes be tough to deal with)!
God bless Good Memories and fun times*
