“ I've known this man for most of my life. He always had a smile and kind word and was one of the most hardworking men I have ever known. He took pride in whatever work he was doing and was always willing to help anyone with whatever they needed done. I will miss seeing him and chatting at various places around town. His smile was radiant. My deepest sympathy for the family. Our loss is heaven's gain.

“ He was a hard working man and always had a smile on his face. He loved his family beyond measure and was a proud and honorable man. He was my uncle and has shared many memories with me throughout my life when I lived around Lexington. I will always remember the kind and respectful way he treated me and how he always made me welcome and kept me laughing and having great memories. Rest in Heaven Uncle Benny and tell dad and Elmer and the rest of our family can't wait to be there one day when my time comes. Happy Heavenly Reunion with our family and I'll miss you and never forget the memories and laughs and things I learned from you.
