“*The first time I met my grandma I adored the way she spoke. I loved her generosity and her kind eyes. Every time I got to see her she always spoiled me and I could tell she loved me without even knowing me for that long. She dedicated her life to others and never stopped giving. I have missed her for many years and life has gotten busy but I have never forgotten her. May God embrace her soul, may she be forever in our hearts and may she find peace and warmth in God's light.*
