“ *Belinda and family, I just learned of your Mom's passing. I am so very sorry for your loss. I recall our conversation when we had our 8th grade class reunion, when you shared with me that you had to stop your mother from driving. It was obviously a difficult thing you had to do for her safety as well as others. My heart goes out to you. I remember her as a sweet lady who loved her family so much. Love you, my friend!* ”
