“ This was one special lady! She was the mother to me when my mother wasn't available and the friend to me when I needed a friend. She was there during tough times in my life and showed me how the tough just get tougher. She wanted my memories of her to be fond even during her sickness and they definitely are. We will always remember the special times with her and Bill in Robinson, Illinois. Our thoughts and prayers are with you, Bill and the kids!
