“ My deepest condolences to the family.
I had the honor of being one of Mr. Gateley's 7th-grade math students in 2002, and I still remember how kind and caring he was. Please know that his influence continues to live on through the many students whose lives he touched. I am truly grateful to have been taught by him.
Keeping your family in my thoughts and prayers.

“ I had Mr. Gateley in school and so did my daughter. We both loved him. He and Mrs. Gateley brought a chocolate pie to my house when my husband and I moved to the Independence community. They are fine people and he will be sorely missed.
