“ *My Uncle Bill was my hero. He was full of all the wonderful characteristics and mannerisms of the "perfect" man. I always told myself, even as a young child, that I wanted to marry a man just like my uncle Bill. I found no one that that could hold a light to him. He always told me when I was having problems to pray, turn it over to the Lord, and everything will work out according to his will and I'm his time. Uncle Bill always had the right words for any situation and always had that smooth calming voice.. Just the sound and tone of his voice was a gift he possessed that made you feel better right away. Aunt Carolyn is my Angel. I have always cherished and looked up to then both. We've truly lost a wonderful beautiful soul that has now gone on to heaven to meet and rejoice with my mother and the others that have preceded him in death. Heaven is having a big rejoicing celebration right now.*

“ *Brother Bill was a great man and I was blessed to have been able to know him. I pray that the Lord will give comfort and strength to Carolyn, Karla, Mark and the whole family as they deal with their loss.*
