“ *Sad to learn another W Tn cousin has passed away...joined his brothers and sisters and family in heaven. He was so faithful to call my Daddy (D.L.) every Sunday...kept him updated on old classmates, friends and family....brought so muc joy to his aged years. Sorry I cannot make it to service.*

“ *when I first started at Jones Motor Co., Inc., in 1992, one of the first things that Billy Pierce said to me was that we (being the car lot bunch) would have me "topped out" in 6 months. Several years later, he had to admit that he had been wrong about me - I was still the same size as when I had started! There are so many Billy Pierce stories to be told...he touched so many people. There will not be another one ever*
