“ *Mr. and Mrs. Snider were members of our church and he was our high school principal at Fulton City High School. When I was in geometry class the teacher we had knew what she was doing, but could not find a way to teach it to us. Everyday during our time in the Commons area we would go to Mr. Snider's office and he would re-teach our lesson for us. Had it not been for him I don't think any of us in that class would have passed that year. My parents, Billy and Shirley Nelms, were friends of theirs and I remember when Courtney was born. Mr. Snider was such a nice man and a wonderful teacher and principal. I will be lifting up your family in prayer that God will bring peace and comfort to you at this time.*

“ We loved Bobby even though we have only known him for 3 years. The best most knowledgeable Sunday school teacher I have had in a very long time. He will truly be missed and I know he is so happy to be with his savior as he no longer is suffering on earth. Brenda we love you and are here for you. Praying for all of you.
