“ Brad...we have always cut up and we always enjoyed eachother's time. I wish I could give you more! My #1 cuz. My Ace! I love you more than words can explain. As I sit here tonight, thinking of some good memories, I just know we were a lot a like, and I knew we could count on eachother. Just a text or call and we talked about whatever life situation or feelings you were having. I love you so much. This life here on earth is so hard, but you managed wit a smile and a pure heart. I'm the one left behind. I have to feel the pain and keep overcoming life'svtrials. I know you are gonna be a awesome angel. Keep an eye out for me pls. I know, that you are where we are all trying to getvto. With that being said, Rest my beautiful cousin. You are so missed & loved. UNTIL I SEE YOU AGAIN...RIP❤️
