“ I am so sorry for the loss of Brenda. She was a very special nurse/person who took really good care of my mother while she was in the nursing home. She was also a sweet caring nurse who took time with me when I had concerns about my mother. I moved my mother to Waverly so that I would be closer to her and was going to let Brenda know that mother made the transition really well when I saw her obit. She will truly be missed by so many lives that she touched. May God provide what all of you need as life will go on without Brenda. Dianne Eason daughter of Lucille Roberts

“ I am deeply saddened of Momma Brenda’s Passing, this is so unreal, we were just laughing the other day when she had told me a story about another co-worker asking if chick peas came from chickens, we both stood there laughing so hard when she told me this story. She was so caring and loving and helped everyone out that needed help. There were times I needed a ride to work and she brought me to work. We had laughed together and cried together. Brenda you will truly be missed. I love you RIP beautiful Angel inside and out!!!! 😭🙏

“ I’m so sorry to hear this about Brenda. I always enjoyed working with her at the manor and I carry her advice with me now as I take care of my patients. Micah, your mama will always watch over you and those babies and it is up to y’all to carry on with the legacy that she has left behind.
With love and prayer,
