“ *Della and Neil - my heart was breaking as I watched the memorial service this morning wishing so much that I was able to be there. It was simple but very nice. Brent will be missed by me and my family. It was always great when I was able to be around your family and Brent was able to be there. I love looking at my "family" pictures that we are in together. I love you with all my heart and know that God will comfort you as the days go by and take care of Brent for you. Sister Priscilla*

“ *Brent was always that quiet super intelligent cousin that had so much on his mind but did not always say it. When he was sharing ideas they really made a person think and oftentimes had a dry sense of humor added to those comments. Although he treasured his alone time, he was such a kind-hearted and loving person around his family. He will be missed and forever remembered. I am sure he was greeted at the pearly gate with a big "Yee-haw brother... welcome to heaven!" by his Cowboy brother Greg as Brent gave his trademark friendly smirk. Uncle Neil, Aunt Della, Loren, and Sarah, you will all be in our hearts as you process this tragic loss. We know you will hold tightly to each other as you always have through hard times in life. That is one thing this family is never short on and that is love...pure and unconditional love. We love you all and we are praying for God's peace as you hold onto His promise that we will all reunite in heaven one day.*
