“ I’m lost for words. 12 years ago I met you and will never forget it! We had ups and downs and I ended up with your name tattooed several places on my body. 😳. Yeah, those were crazy times! I never stopped caring or wondering how you were. If you were ok. You will always have a place in my heart!!! To your family and son “Dawson”! I am so very sorry. I’m just so sad and very sorry.
