“ *My Brian. When we met and became friends, he messaged me and said you can keep me if you want to. So I did. After nearly 12 years together I am cut in half without him. He kept his word and I will remain his wife forever. My heart is with him.*

I remember Brian from when we were teenagers. He was a good friend. I've thought about him a lot over the years. I am very sorry to hear of his passing.

“ I'm praying for Donald, Tammy and your family. In the picture posted, we were headed to a Wide Spread Panic show on a limo bus! It was an awesome day and he enjoyed every minute of it. You will truly be missed!
