

Briar Marie Lewis

July 16, 2025 - July 16, 2025

Briar Marie Lewis, our sleeping beauty was born July 16th at 6:59 a.m. Our angel baby was 2lbs, 10oz, and 16 inches long. She passed away from placental abruption at an unknown time. Briar is survived by her father, Tyler Lewis; mother, Carlee Douglas Lewis; sister, Clover Douglas, and many other loving relatives. Continue to lift us up in prayer daily as we are absolutely devastated and heartbroken. We NEVER in a million years thought this would happen to us, but it goes to show that God's plan is not our own. Everything happens for a reason that we do not have to understand, and we know the Lord has been with us every step of the way.

“ I feel your pain.i lost my son when he was 1 day old. It's heartbreaking and hard to understand but you have to be strong. No you will never forget but as time goes by it will get easier. Just talk to somebody and don't hold it in trust me, it's not easy dealing with a loss alone
