

## Briar Marie Lewis

July 16, 2025 - July 16, 2025

Briar Marie Lewis, our sleeping beauty was born July 16th at 6:59 a.m. Our angel baby was 2lbs, 10oz, and 16 inches long. She passed away from placental abruption at an unknown time. Briar is survived by her father, Tyler Lewis; mother, Carlee Douglas Lewis; sister, Clover Douglas, and many other loving relatives. Continue to lift us up in prayer daily as we are absolutely devastated and heartbroken. We NEVER in a million years thought this would happen to us, but it goes to show that God's plan is not our own. Everything happens for a reason that we do not have to understand, and we know the Lord has been with us every step of the way.
