My heart goes out to the family of this precious child. She has come to be a part of all our lives and our world will be a much sadder place without her presence. I know she's safe in the arms of Jesus and she's whole again. May the family find comfort in knowing that this isn't 'goodbye' but 'see ya later' for you will be reunited one day. In the mean time, you will remain in my thoughts and prayers for comfort, peace and guidance in the coming days.

“ Although I never knew Brylee, I always remember watching video clips of her on her FB page; 1 video would make me cry the other 2 videos would make smile; I always enjoyed watching Brylee's last video clip where her dad was playing with her by shaking her in a chair. Brylee always had a laugh that would make anyone's day... especially mine! Brylee honey, I'll always and forever treasure your darling, precious & sweet little smile. You'll always and forever hold a very dear and special place in my heart. Brylee, I miss you so much sweet little angel!

“ Joseph, Stacey, as your family's forever friend; I just wanted you both to know how very deeply saddened I am to hear of Brylee's home going. I know that Brylee was never any actual relation to me, but for as long as I've been following her journey on FB I honestly feel like as if I've lost a vital part of my life. Brylee sweetie, one of these glorious days; I will meet you just inside "The Eastern Gate" ! miss you so much baby girl!!
