“ Carol took care of my grandfather and treated him with so much kindness. She was an angel on earth and I will forever be thankful for her love for the residents. I would not have been able to stand leaving him to go to work without Ms. Carol.

*I am so sorry to hear this sad news. My mother and Carol's mother were first cousins but I got to know her when she and Paulette were in our nursing program. They graduated with high honors and perfect attendance. This was only a step toward becoming a dedicated nurse. She will be missed not only by her family and friends but her patients. Prayers for her family.*

“ *Carol was such a sweetie pie. I always asked her when she came into Dollar General, "How are you doing?" and she always replied good and always asked "How are you doing?" I have known Carol for years in Parsons. Always loved her sense of humor. Carol will be sorely missed. Love to you and all the family. Hugs. and prayers.*
