“ Carol was a lifelong friend and I will always remember the way she made me laugh. When I was younger, she was one of our youth leaders at Judson and was instrumental in planning lots of fun activities. In later years, I worked with her at JMCGH and I looked forward to seeing her at our lunch/dinner hangout ....Chick Filet! She loved Chick Filet but not the prices..... Carol always had a way of uplifting those around her and the patients all loved her. In fact many of our repeat patients would request her. Another thing that I loved about her is all the hilarious Maxie stories she would share with me. Carol and Cathy came by two weeks ago to see me and Maxie. I was so proud I got to talk to her and give her a big hug. Maxie thought of Carol and Cathy as sisters. They made his growing up special as they were his next door neighbors. Rest in Peace sweet Carol. I will never forget all our laughs and know we will have many more when we all get to heaven.

“ I grew up with Carol as my best friend in school and the neighborhood. She introduced me to many of the little pleasures in life such as Dr. Pepper. I will always cherish growing up with her and the wonderful memories of times spent together. Life separated us after high school, but I will never forget my best friend at SHHS.
