“ *CharlesI cherished being invited to your down stairs "man cave" work area where you seemed to get your greatest pleasure as you converted what I considered junk into "works of art"!*

Thanks for the memory!

I understand you had recently been experiencing some pains of old age! No more! You have just passed to a world of no pain, peace, and tranquility!

We will miss you!

This is a photo of a beautiful Tennessee snow that Charlie sent to me after I moved to Florida . He also sent a snapshot of the thermometer on his deck...25 degrees!
