“ I have SO MANY memories with Chuck...lots of mornings hearing Angie and Jeff yell "Chuck, GET UP !!!"...and he just keep on sleeping... Those monster egg sandwiches we'd make...catfishing all night at Watts Bar... Getting everything ready for the very first hog roast at Jeff and Angie's... The teenage hoodlum fight at the hog roast... The Talladega trips....Frog gigging at Chilhowee... That red international pickup truck...those spur of the moment, middle of the night trips to Lexington because we were bored.... trying to get the chores done before Jeff and Angie got home from work... Climbing the big Exxon sign that's on the side of I-75....the look on his face when a song came on the radio that he liked... and there are some memories we swore we would never ever speak of.... What I would give for just one more talk...
