“ I remember the time Poppy and I took off to Tunica, MS on Friday morning to one of the largest car shows ever. Over 2,000 cars. We both came back bragging to Momma Sue. She wanted to go so we got up on Saturday morning went back to Tunica and stayed over night so we could watch a couple live bands that Poppy and Momma Sue listened to back in the day. Poppy and I shared the same interest in new and antique cars, and to see him and Momma Sue dance that night in Tunica and to see the live they had for one another. Poppy and Momma Sue, thank you for the memories that u gave me when we three were together!! Love u both and know that u to are in a much better place!
