“ Clifford was a funny guy with one of the greenest thumbs I had ever seen. He took beautiful pictures too. Cliff was my step brother for 30 years and I will miss him dearly. I love you Clifford and may you rest in eternal peace.

“ Thinking of you all of Cliff's family at this time of sorrow. I will always remember Cliff's sense of humor and wonderful photos. I got very accustomed to seeing his beautiful flowers and birds in the spring that he shared with me on FB. Bug and Dawn, I love you both and know you are sad right now but hang onto the great memories that you have shared. You have some great memories and some awesome photos to remember him with. Judy, I am so sad for you right now as you go through these difficult times. Hang in there and remember your precious memories that you and Cliff shared over the years you had together. I wish you were not all so far away. Embrace each other and lean on those who can be there. Let me know if there is anything I can do from here in Michigan.

“ *Cliff was a wonderful, very talented man. I met him a few years ago. I always enjoyed visiting him and Judy. I appreciated him doing a drawing of a barn for me, whenever I look at that picture I think of him and Judy. They are both wonderful people, always friendly. Cliff will be remembered by many I'm sure. You will be missed Cliff, but any memories people have will remain with them. Rest in peace.*
