“ I've the pleasure of knowing Connie for almost 60 years. She was a small business owner and a mother to a beautiful ladies and I'm proud to call my friend to this day. I stayed over at her so many occasions to play with my friend and I remember her being polite and always asking me about my family and how they were doing. She was an awesome cook I often wondered how come my friend wasn't the least bit fat! I was told that you got in your sleep what a wonderful way to go. My prayers are with her daughter and her daughter's three sons and their families. Brinda Cagle Rayfield
