“ I'm sorry I won't be able to make it to the memorial service Thurs night but it reminds me of the times I missed family gatherings and Connie got so tickled when pictures were taken of the family with a "Kim effigy" doll being held up in my place. I'll be smiling Thurs night thinking of the object in the room that Connie would pick to represent her little sister.

*I am so very sorry to learn of Connie's passing ---- I have so many fond memories of working with Connie. Her warm smile --coffee's shared . She was a compassionate social worker with a great instinct for the truth and needs of children and their families. I have a special memory of a party on the river hosted by our mutual friend Mary ---it was a very special evening I am so glad we had the opportunity to share it with Connie , Gil, and Mary and other friends . My thoughts this evening are with Gil and their children in this time of loss. God Bless*

*I'm so sorry to hear about Connie's passing. I'm glad I had those few times of chatting with her and Gil at the fence between Dale's house and mine. My sympathy goes out to Dale and Gil and the rest of your family, Holly Lane*
