“ Conny Joe, will forever be in my heart and in my thoughts, everyday for the rest of life. I loved to hear Conny tell stories of his younger years. Such an exciting life I thought. Never a dull moment for Mr. Flanagan. My favorites would have to be about his dancing days or winning multiple contest. I sure wish I could have seen him move. The other is of course "Neon Leon". That is the most awesome thing to have a song written about you or someone you know. In which I did and I'm so very glad I knew him. He taught me so much about life and people. Straight schooled me on how to deal with his son, Shane Flanagan, in which I love dearly. I know Conny would be so proud of Shane today, to see how great he is doing at taking care of things. Conny has sons wonderful sons and all are hot headed, stubborn, handsome, and have huge hearts and have really shown how much they truly love their father. I know Conny Joe Flanagan is sitting up in heaven, laughing with pride knowing that his sons will without a doubt be fine in there lifetime. You will forever be in my heart and thoughts, everyday and are so truly missed and loved.
