“ *Cordell was one of the best people Ive ever kbown. He was kind, loving, silly, polite, and so much more. He loved his wife and his family with his whole heart. He will forever be remembered by me with so much love. I will miss him teasing me about the fact it took him 2 years to even talk to me but once he did we found out we had similar senses of humor. Every time i would see him he would say "thats a nice shirt you got on" because that was our joke. We showed up wearing the same color to something and every time we saw each other after that, he would say it. My heart is broken for everyone who loves Cordell. He will always have a special place in our hearts. Forever loved, forever missed.*
