“ Sending my condolences to Craig's family and may your memories of Craig give you peace and comfort during this time. I had the pleasure to meet and work alongside Craig recently in Spain. His humour and positivity is my overriding memory (and his ability to make anything into a joke!). He will never be forgotten. Jenny Patterson

“ I had the pleasure of working with Craig, at Walmart many years ago. He was a dependable, hardworking young man. I'm glad I got to run into him and his Beautiful Family a few years ago at Church, and thats when I find out he was at Kelloggs and he knew my son in law (small world). I am so sorry for your loss Stephanie, You and the girls and all the Family are in My thoughts and Prayers. May God keep You all wrapped up in his mighty powerful arms during this time. 🙏❤️

“ My sincere condolences to Craig's immediate and extended family. I had the pleasure to work with Craig for several years as a part of global expansion efforts for Kellogg/Kellanova. I both admired and appreciated Craig's knowledge, eye to detail, get-it-done mentality, drive, and unabated willingness to help. I revered his ability to skillfully weave all of those traits together in every interaction I had with him.
