“ Aunt Daisy was one of my favorite people. She was the last of her generation in the family. I look back fondly of the good times we all spent together. Not that I want to go back to dragging that 9 foot cotton sack again. But I sure would like to spend time with the family we have lost. To Jean, Randy, Billie and all the spouses, grandkids, great grand kids and great-great grand kids. Pam and I are thinking of you. With loving thoughts, Pam and Glen Essary, Stevensville Montana.

“ *I can't say enough nice things about Ms. Daisy. She was my "across the street neighbor" for many years. Ms. Daisy was talented in so many areas of life. I will forever hold a place of love for her in my heart.*
