“ You will definitely be missed and always have a place in my heart. I looked forward to the phone calls every year on my birthday. You would always say, do you know who this is? I would say, of course I do, my Uncle Danny. And you would laugh. I loved hearing that laugh. Sending much love and blessings to your entire family. Love from your niece, Dia

“ I am so sorry to read about my buddy passing. He and Myrna were unbeatable, they were my clients for many years and I felt honored to be their agent.

Henderson County was a better place to live with people like them. Dan was a good businessman and I am glad my path crossed with Dan and Myrna. He will be missed. Shirley and I extend our sincere condolences to all family members.
