I had the pleasure of meeting Danny in Linden. I work for Frito Lay and we would eat breakfast together at least once a week. We share the same birthday and he was one of the few that you looked up to. He was one great guy.

Danny and I always sent each other letters during his service to our country . . . I was 10 years old at the time. The bond we formed during that time lasted all these years. He was more like a big brother to me than a cousin-in-law....I will forever miss him. Much love to Lisa and family.....

I met Danny many years ago, when he delivered to My Dad's Restaurant. And after all these Years he still asked me about My Dad. He was A One Of A Kind Person, I saw him every Monday and Friday, and he would come through my receiving doors and say did you have a good weekend, whatcha get into? Did you get to go fishing or watch them Grandsons play ball.? Mr Danny was A One of A Kind, and God gained a Truly Special Angel yesterday. We talked about our families and grandkids, while we both just beamed with Pride. Truly one of the most nicest men you could ever have the pleasure of meeting. My Heart goes out to his Family, he was so Proud of You! Thank You Danny for all your kindness throughout all the years!
