“ I am so sorry to hear of Darlene's passing. We grew up together as neighbors and I was hoping to connect with her some day. We had a lot of fun together growing up. We even had a little Christian Group (Darlene, Garry, and Myself) singing with matching dresses and all. I remember her being healed twice. Obviously she had more miracles in her life as she had children and grand children. I think of her every time I see Sally Fields as I think they look a like. I am sad that we will never get to catch up here on earth.
