“Mr Fronabarger”, my Pin Oak school science teacher. We had to kill and dissect a poor lil frog; I said, "I'm sorry but I'm not killing a frog". He replied, "You'll get an "F" then." I then said, "Better make it a flat one". I'll never forget him, even had a laugh about that still, when we would stop for groceries at Big Star. You will be missed, David. Rest in peace. My deepest sympathy for your loved ones.
