“ *This is so hard to believe. We were college roommates. The fun we had but when she meet Jeff -- her heart was swept away. She loved her husband and was so happy to be his wife. I moved away and we reconnected on Facebook. It was like we were never apart. I could tell her dreams came true- being a mother. You could tell she really loved her children. Now she is back with her love. No more pain. Rest In Peace my friend. I will never forget you and always treasure our fun times together. Until we meet again. Love you Dawn, your friend Marsha Pierce-Hussey*
