Denies we have alot of memories together like our first granddaughter Mahala I don't know who was excited the most and them i came down with Tosha when kendra was born we had a good time I always enjoyed talking to u cause the one thing we had in common the most was Tosha who I love just like a daughter and will always be there for her  
Rip watch over us down here

“ *Denise ! Known to her family and friends as Nesie , I have so many wonderful memories of her! She was 10 years younger than me as sisters! We shared so many wonderful times together even with the age difference! She always had a smile on her face and laughter in her voice! Lit up a room the instant she walked in!*
