“ *I played football and basketball with Dick, then known as Tinker, at Palatine High School. He was a superb athlete and great role model. We didn't see much of each other after high school since I ended up in California and he moved to the East Coast. I have many many fond memories of our relationship and the pleasure of our playing team sports together. What an enthusiastic leader he was in high school. I am sure the world will miss him and I am only sorry we never spent more time after we left high school. Bill Breyer, PTHS Class of 1954*
