“ Dickie Joe was the best. He has always been a cutup. He would pick at me and just laugh. Sometimes I wouldn't tho! Lol He will be missed by his beautiful family. I will also miss talking to him ever so often. We would laugh bout all he had pulled on the grandkids!! He will always be watching over his family.

“ One of my all time favorite memories is the time we went to Florida. We was in this crazy motel and it was when the 1st Aliens movie came out. We decided we would watch and let's just say that we both got scared and ended up sleeping on the floor between the two beds lol. I miss my Daddy but I know that he's in a better place. Always your BooBear.
