“ Judy, I am so sorry. I just heard about Don and it's too late for me to make it to the visitation at Chapel Hill. My husband Philip sure did enjoy talking to Don about muzzleloading and black powder. You and your family will certainly be in my prayers. I love you❤️

“ Many years ago before there was a muzzleloader season , I bought a Thompson Center 45 caliber rifle. Don was very helpful as I sought his advice on the do's and don't's of using a muzzleloader. He was always willing to advise me, when I sought his help. I still have the gun and the best buck, I ever killed in 55 years of hunting was with the TC. Judy and I graduated from LHS together in 1963, still remember how smart she was and super nice also. My prayers and condolences to all of the family.
