“ *Thelma, we don't know each other and I hope this silly little memory doesn't offend, but maybe brings a smile to somebody's face. The magic of the internet brought this to my screen tonight. I had not thought of Donald Gene in over 50 years, but my first thought was of him combing his thick black Brylcreamed ducktail in the lunch line in the old gym at CHS. I'm not sure if you knew him then, but he would have put The (later) Fonz to shame. Peace and comfort to you and your family (from a stranger a thousand miles away).*

“ To Thelma and Family- Although its difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow- May your heart and soul find peace and consolation- You are in my thoughts and my prayer is with you- My sincere compassion for some moments in life there are no words I can express- I served with Donald Gene in the National Guard for a few years- He was the Senior Cook of the Mess section- I recall one morning down at Camp Shelby MS- I woke up around 3:30 in the morning about to starve- I stroded up to the Mess tent and sure nuff Sergeant Woods was cooking breakfast for the troops- I told Sergeant Woods I was about to starve- He immediatly cook me two eggs and all the bacon I could eat and cooked them to order which is not often done- I love/loved that Sergeant and always will- I could go on and tell many memories of Donald Gene/Sergeant Woods- We called countless basketball games together which I truly enjoyed calling with him- I will go for now and think about Donald Gene and my Sergeant Hero- I know he will be missed as well as the community he lived- I will leave with a quote by Helen Keller- “What we once enjoyed and deeply loved we can never lose, For all that we love deeply becomes a part of us.”
