“ *Very sad that Dorothy passed away. She became my step-mother when I was around 10 years old. As a child, I always remember how sweet she was to me. I thought she made the BEST breakfasts in the world!! I always enjoyed going shopping with her and running errands. She so loved Janice and Bruce and all her grand-children. Even though Dorothy and my Dad were divorced in the early 1980's, we always kept in touch, and I always considered her family. She was always considered my Step-mother (even after the divorce) and I will always consider Janice and Bruce my step-sister and step-brother.*

I live in Florida, and I'm sorry I can't come up there for the funeral. I just wanted you to know that I'm thinking about you all and keeping you in prayer. I know Dorothy was a christian woman, so I know we will see her some day when we all pass from this world.

Love to you all, Robin
