“ *I remembered her from head start when my mom Virginia, " Ms. Jen" worked there. I remember her having Jennifer and twins Tina and Timmy. Then later in life I had the privilege of being in several church services with her. She was always smiling, pleasant, loved everyone and was a joy to be around. I loved her very much!!* ”

“ I have a sweet memory of Darlene when she was a little girl. I don't remember the exact location but I think it was at Shiloh decoration. She was running around with her report card showing her grades which were all very good and she was so happy. I think she was going to receive \$1 for every A. I remember how sweet, happy and excited she was. She was always a sweetheart and she will be missed. Love, Patty
