“ I have gone to y'all's Store in Lexington many times over the past years as far back as I could during this time! I moved to Florida for 20 years ago. When I returned I still had their names in my heart & mind & their wonderfully family run by the Blankenship's Family! Early in the morning Emmett could be found there working & Vivian too! May God stay by your family business as your family has also stood by God!
