“ *It's been a little over six years since I met my Family Face to Face in Tennessee. She was one of the First Four People I laid eyes on and from the moment we locked eyes, I knew she was Someone Very Special! She didnt know who I was but Evon said "This is Uncle CH's Grandson"! Her eyes lit up and I knew at that moment that she knew who I was! Every visit to Tennessee after that, when she saw me, I truly believe she knew who I was! What a Very Sweet Woman! Something about her eyes told a story to me! I've witnessed the Love her family had and continue to have for her and I consider myself Truly Blessed to have been able to Kiss her on the Cheek! I send my Condolences and Prayers to the Entire Carter Family at this time! She will be Truly Missed!*
