“ *Mr. Lewis was such a kind and giving individual. He was always giving us fresh vegetables from his garden. My husband nicknamed him "Green Thumb". He will surely be missed by our church family. We feel really blessed to have known him.*

Eugene as he wanted to be called was not only our brother in Christ but a neighbor on Arnold Ln. We loved to sit and visit with him as he told tales about Tn river and other things he had witnessed in life. He will truly be missed. . Joe/Linda Garrett

“ *Eugene was more than a cousin. He was a friend, especially to my father and the rest of our family. Eugene went along taking me to my first game in St. Louis. He and Sue Nell had no children of their own, but they loved their nieces, nephews and cousins, which must have numbered in the 100s. As Bobby said, Eugene was the last leaf of Uncle Garfield and Aunt Lula's tree. But the good he did for his 93 years will live on.*

“ Steve Lewis Bealeton, Virginia

My Uncle Eugene was a great uncle.

I can't help but remembering the last time I saw him was when he and my cousin Julie and her kids came to Virginia. We had a wonderful cookout.

What I will miss the most about Uncle Eugene was talking to him on the phone and sharing jokes.

He was a great man and veteran and will sorely be missed.

He is in good hands now and reunited with Aunt Sue and family.

From a Marine vet to an Army vet I salute you. God Bless you Uncle Eugene. Rest In Peace.

“ *What a super person, Eugene was the last leaf on Mr. Garfield and Mrs. Lula's tree. The Lewis families are some of Henderson County best. My good friend for over 60+ years, I first met Eugene in the 1950's, when playing little league and he was coaching. Rest In Peace my friend, you deserve it.*
