“ This is Loretta McMinn Price. I loved Eva Daws. We went to church together at Twin Oaks when I was a kid. She would invite me to go home with her after church Sunday morning and I would spend the afternoon with her. She would take me with her to pick poke salad. I loved it. I remember her telling me that she saved her clothes because they would always ‘come back in style’. I think she was right. She was a good person. ❤️❤️😞❤️❤️

The few years that I spent taking care of her I grew to love her as my family, I would say as a second mother but she would always say No like a sister. Lol I sure do miss her already!! Love Ma Eva
