JA

“ I was a classmate of Fay's at Beaver School. We were sitting in a pickup truck one after noon after school listening to the radio. This must have been early 50's. He told me after hearing a song on the radio that that person will be a big star some day. I asked who was that singing and he said Elvis Presley.

I remember that he always liked music as much as I did.

Kind regards,  
Johnny Adams
